

COMPANY PROFILE

Weihai Dafang Outdoors Product Co., Ltd. is a factory specialized in the production of various inflatable surfboards.

Our aim is "to behave in proper manner and to work in good faith".

Founded in 2005, DAFANG started with produce different kinds of boats and began making inflatable stand-up surfboards in 2008.

With experience of 10 years of developing, manufacturing and company management we have been well accepted by clients around the world. In possession of CE certificate our products are sold to markets in Europe, Australia, South Korea, United Kingdom and United States.

We will sincerely, generously and jointly create a better future for you!

BOIERTO

SUNSET & BEACH

With still warm setting sun shining on the soft beach and beautiful clouds drifting in the far sky, now it is the perfect time to go surfing.

Grab your surfboard and rush into the sea water, the wave brushes away your tiredness in no time.

Space and ocean have been the everlasting goal for human being to explore the secrets of our universe. Space is too far away, but ocean is just several steps to touch and hug. It is the best choice for us to realize all of our dreams and feel what we have been dreaming of. Having climbed onto your surfboard, with several strokes of paddle, you are now drifting on the dreamland. There is nobody but you right now. Only the surging sea water are with you, breathing as you are. So one more stroke. GO!

DF-680

This series is designed for a quiet, smooth and stable paddling experience. Cruising around your local lake, bay or river, it proves to be the most worthy board in all types of conditions. A sharp V entry at the nose parts the water smoothly and transitions to a displacement hull through the front half of the board for max responsiveness and maneuverability.

Specifications:

Measures 11.5' Long 31" Wide 6" Thick.
 Board Weight: 28 lbs.
 Rider Weight: Up to 350 lbs
 Color: As Picture Shown
 Material: EVA, Drop stitch, PVC

① Deluxe Dual Chamber

Extra stiff and safe. The feeling of paddling with the stiff Double I-BEAM stringer is getting very similar to a hard board, propelling inflatable technology to another level.

② ADDED CHAMBER

The chambers offers up to 42 liters of safety float, the next level of security for inflatable paddleboards.

	305x76x10(cm) 10' x 28' x 4'	320x76x15(cm) 10'6" x 30' x 6"	335x81x15(cm) 11' x 32' x 6'	350x86x15(cm) 11'5" x 34' x 6'
